REPORTS

President

As we say goodbye to season 2023/24 and start the planning for next season, we do so knowing that the challenges we face today and into the future continue to mount for all of us, and in fact all volunteer reliant organisations. The growing cost and demands of compliance in so many areas of operation, the increase cost of living pressures, recruitment and retention, providing facilities that are fit for purpose in the 21st century, time management for all volunteers, and importantly battling the challenge of integrating the qualities, values and history of yester-years surf lifesaving with today's often complex social and cultural realities present significant challenges to our movement.

My observations over a long period leading this club is that our key to success whilst also confronting these challenges is the importance of stable and experienced leadership with a blend of old and new. This stability can only come about if surrounded by like-minded supportive people prepared to sacrifice time whilst also possessing a diverse range of skills, dedication and passion for the lifesaving movement and importantly our surf club. On that note, I must thank my fellow current and past Board of Management Committee members who have worked closely with me over my 20 years as President. Thank you!

TO OUR YEAR IN REVIEW!

As a proud surf lifesaving club with a history of providing a hand up - not hand out, we continue the outlook that if you want something you must work for it and work for it we most certainly do. This year was probably one of the most demanding years in recent times including, staging community events, under 8 and boat carnivals, numerous fundraising events for senior and junior club, supplying resources to external fundraising events, the past 12 months had it all. We travelled all around the state with IRB Rounds, State and Australian Championships and backed that up with summer sport travelling to the beautiful Sunshine Coast for Summer Aussies, Youth, Masters and Open only to return immediately after Aussies to run the Ocean Swim which helped subsidise both Summer and Winter competitors.

We continued to chase the many problems an aging building presents at significant costs. Our clubhouse hosted numerous community groups, schools, NSW Police Force, Randwick City Council, NRL, Rabbitohs, Waratahs, Indigenous Clontarf Foundation for overnight stays and so many more. We most certainly understand our responsibility as a community hub and are more than willing to assist others.

It would be an understatement that we had a significant and demanding year but the membership rose to the challenge led by a small group of passionate leaders.

This past year we chased up leads for grants and sponsorship to ensure our lifesavers had the best equipment whilst also allowing us to put valuable funds aside for future building improvements. Our plans to welcome members and the community to our Social Sundays have been an outstanding success and most welcome by all. In fact, have you noticed the many community members and families that regularly pop down in winter to enjoy our hospitality? Big thank you to all of our bar staff led by Phillipa Stanley and Olena Stanilovskiy who do an outstanding job training new staff members whilst ensuring those hiring our facilities experience a wonderful event plus of course our Social Sunday staff. Big thank you to Lesley Chidiac and Barry Osborne for your diligence in keeping the club looking presentable, Todd and his community workers who quietly go about keeping our grounds and building looking good, Michelle Lo in the club office who will be retiring after nearly 10 years of wonderful service, a sincere thank you Michelle

and Tony 'Head' Shaw for taking over Bar Manager role from the lovable Gus Taylor.

Sadly during 2023/24 we lost two champions and Life Members of South Maroubra SLSC in Horst Menzel and Ray Robinson. What a knockout blow to lose two much-loved long-time members both with 40 years of service, both active in different ways and both so highly respected. They may be gone but they will never be forgotten! Vale Horst and Ray and please, everyone pop down to the club for the 'Remembering our Fallen Members Day' where we pay our respects to those members who have passed but contributed so much.

LIFESAVING

This year we had a change in our lifesaving leadership team with Darren Saunders and Ashleigh Bredan taking the reins. As we all know, managing a lifesaving season including recruitment, training, rostering, compliance, recycling lifesaving equipment, meetings etc is quite the job and so Darren and Ash found out. For a first-year team and very busy people outside the club, we were very pleased with the results and commitment shown.

A record number of awards throughout the season thanks to our Education Team was exciting to see and a big thank you must be extended to our passionate trainers led by Nicole Cooney and Codie Wem. Courtesy of our education team we were able to strengthen and expand our Patrols which was well received by Patrol Captains and their teams. As I say to all Bronze and SRC graduates, this is only the start of your training so hopefully with the assistance of our competitors and skilled lifesavers we will continue to work on disciples such as board rescues.

A total of 66 Aquatic Rescues, 599 First Aid cases and 3125 Preventative Actions were performed by our rescue ready lifesavers with 'No Lives Lost' between the flags.

COMPETITION

It's always exciting to see the fruits of hard work come to fruition and so we saw various sections of our competition group this season. As all clubs would be aware there are a number of areas that need to be ticked off before success can be realised. Leadership, coaching with skills necessary to develop a team, support from parents and others, members wanting to be a part of the team and hungry for success, equipment, persistence, and a good training program.

Led again by Shane White and Maria Garay, this season we again saw our home-grown talent excel. Success is not just about winning or medals it's about commitment and improvement and we saw that in leaps and bounds. Our 'Open' competitors excelled at a range of Pool, Surf, Beach, Branch, State and Aussie events throughout the season with our competition future improving throughout all disciplines.

Whilst results throughout the year are too extensive to report on here I would like to acknowledge some of our Summer Open Australian medallist in particular Luke Newrick Gold in the U17 Beach Sprint; Luke Newrick, Chris Kondilios, Zac Gedz and Dylan Sharpe Gold in the U17 beach relay; Gold to Luke Newrick, Tom Farr-Jones, Annabel Perry and Ruby Gary U19 mixed beach relay; Gold to Chris Kondilios, Luke Newrick, Frankie Dawson and Jess Henville U17 mixed beach relay; Bronze to Ruby Gary U19 beach flags; Bronze to Aidan Renford U5 Board Riding and 5 Aussie medals to Daniel Driscoll in the Inaugural Adaptive Aussie event. A big thanks must go to our volunteer coaches in particular Andy Newrick the rock of our beach team and quiet achiever, Marty Kiernan, Shane White with Board and Ski, Max Murphy Life Member with Sand training and all those who chip in! Without these Coaches, we just would not see the development of our competitors as we have witnessed this past season.

Congratulations to our growing Masters Teams and competitors, some wonderful results, and medals also at Aussies. (Full results in Competition Report). Our IRB team will soon be competing in Round 4 @ Forster and if Round 1, 2 and 3 are anything to go by, we're expecting big results at State and Aussies. Go South Maroubra you're all firing! Thanks to Nick Pavlakis, William Shaddock and team supporters.

Our boaties under Boat Captain Nick Mellick have spent a great deal of time refreshing the boat section and personnel, ramping things up training wise whilst looking to build funds for new equipment, crews and future challenges. Things are looking terrific in boats with an exciting year ahead and our good friend Jordan Perez back on deck to help Nick out. Thanks to Steve Vesper, Mark Arbib, Harvey Barratt and Mark "Moey" Ingelmo for your support of the boat section as well!

Our Board Riding Coordinator Greg Turton is planning for an exciting 2024/25 board riding season patrolling and conducting some board riding comps on Illawarra beaches that also need a hand with patrol numbers. This is great news for those keen board riders so watch this space!

NIPPERS

What can you say about Nippers at South Maroubra. Outstanding, massive, competitive, fun, friendship all come to mind. Again, the largest Nipper Group in Australia with 1150 under 14 children, we're extremely proud of each and every one of them, the Age Managers, Assistants, Administrators, parents that help out, just terrific people to deal with and now feeding into our lifesaving and competition ranks. Having fun and feeling like South Maroubra is their home seems to be the secret to success in terms of retention. Congratulations must be extended to Peter and Mary Kondilios, Age Managers, Support personnel, Coaches and Nipper sponsors including Holford Pools, Nixco, Seals, Southend Hotel and all who give so much time to make South Maroubra Nippers the success it is. (Competition results are contained within the Nipper report).

Acknowledging Major Supporters – As we do each year, we extend our thanks to everyone that lends a hand in some way shape or form. Behind the scenes we have a stoic group of supporters including Attorney General Michael Daley Member for Maroubra, Matt Thistlethwaite Member for Kingsford Smith, Cr Philipa Veitch, Mayor of Randwick City Council and of course our great Local Councillors many of whom are regularly displayed on our social media and newsletters, a big thank you ladies and gents.

Our Major Sponsors including The Maroubra Seals, The Juniors, Southend Hotel, NSW Ports, Top Cat Catering, Hutch Legal, Sydney City VW, Ampol Banksmeadow and all other valued sponsors highlighted throughout this annual report and on our building, newsletters etc, we thank you for helping to maintain and strengthen this vitally important community asset during challenging times and reach out to other potential sponsors for next season.

In closing, a special thank you to our small but resilient Board of Management including Linda Perrin our club Vice President, Marcelo Garay, Uri Teitler, Shane White, Darren Saunders and Peter Kondilios, all of their subcommittees and everyone who chips in to make us a strong and resilient club. Together we make a formidable partnership with great long-term prospects producing great Australians with strong community ties, values and leadership and of course mateship. Thanks to Jack Shaw Life Member who continues to assist the club in many ways, he has insisted that I mention him as the former 'Peoples President' so here you go Jack! Please take the time to fully read this important document which captures all that goes on in this dynamic club of 2000+ members where everyone is welcome.

Look forward to an even bigger and better 2024/25 season!

Paul 'Stretch' Fownes APM OAM
PRESIDENT

Vice President

We close out another successful season for the Club and as we reflect on what we achieved; I wish to highlight one of my most memorable moments of the season.

Friday 19 April amongst the buzz of the Aussies 2024 – I was privileged to witness something that made me so very proud to be a member of our Club. The atmosphere on the beach track at Aussies for finals was just electric. The crowd was huge, every South Maroubra Touring member was trackside supporting and we watched a talented group of athletes absolutely reign supreme on that beach sprint track that night. To hear our Club name repeatedly called over the PA it was just golden. Quietly spoken super athlete Luke Newrick picked up 4 Aussie Gold Medals that night…. OMG what an achievement. Congratulations to all our competitors for the wonderful camaraderie and respect on what was a very emotional ride… We are South Maroubra.

OUR PEOPLE OUR CLUB – STRENGTH

Objective 1 of our strategic plan: Provide a safe and welcoming club.

Objective 2 of our strategic plan: Provide a diverse range of services including lifesaving courses, surf sports coaching and competition, equipped gymnasium, a welcoming environment for mature age members and one that supports mental and physical health.

Year 3 of being involved in the Gotcha4Life 24 Hour Row and what a ripper it was. We commenced the row at midday Saturday 9 September and concluded at midday Sunday 10 September 2023. This event is supported by SLSNSW and Surf Clubs around Australia and is a great event for such a good cause. All monies raised assists programs offered by GOTCHA4LIFE that engage, educate, and empower by building mental fitness, creating meaningful mateship, and emotional muscle and social connection in communities to end suicide. For more information refer to their website www.gotcha4life.org.

To all the members, families and friends who participated and/or supported the event – thank you so much. It was a pleasure this year to dedicate the Sunday row 'wear it purple' in memory of Jake Haines. Jake's mum Nadine Haines has participated in our row for 2 years now with her dear friend and our Life Member Cathie Hall.

Some highlights during these 24 hours included:

- So many families participated
- 100 individuals rowed
- Nick Mellick flew in from Bali – with Bali belly and supported Jordan Perez with his marathon row
- We had a visit from GOTCHA4LIFE founder Gus Worland
- Life Member Dino provided lollies and fruit for our rowers
- The night shift was awesome with 2 to 3 machines rowing at all times
- Life Member Horst Menzel rowed for his 3rd year (RIP Horst)
- We rowed a total of 1,010 km raising over $6,000

What a team!

We are booked in again for 7-8 September 2024 – so put the dates in your calendar and join us for a row for a fabulous cause.

FUNCTIONAL FUN FITNESS 4 FORTIES +

This activity aims to provide fun and fitness as you move for all members 40 years and over. No experience necessary, just a positive and ready to move attitude. Offering 2 sessions per week and a choice of time 5.30 pm to 6.30 pm or 6pm to 7pm Monday and Wednesday for a small fee.

Our FFF4F+ continued till January 2024, when unfortunately, we had to put a hold on the program, due to Jarrod Cullen being unwell. Thank you to our participants for your patience with the break. We will be back up and running for season 2024-2025, keep an eye out for information when re-launched. Jarrod is back on his feet again, and it was great to see him join us at the recent Annual Presentation Night. Thanks Jarrod.

GYMNASIUM

Our facility has continued to be available for the membership. The equipment has been audited and maintained. The Club purchased new equipment for the space this year and also received a donation of equipment – thank you Stretch for driving out west to collect the donated items.

Barry and Lesley ensure the cleanliness of this space each week which is very much appreciated. To assist our wonderful caretakers, we must continue to do our bit after each session and return all equipment to its place and wipe down all surfaces during and after use.
Gym members must renew Gym members each year. All membership is online via the link on Club website Our Club/For Members/

CLUB SPECIAL EVENTS

During the season we delivered many successful social occasions for members, families, and friends to enjoy the hospitality and venue of our clubhouse.

Our first fundraiser of the season kicked off with the relaunch of Maroubra Spring Festival and Fun Run. Thank you to all members who lent a hand on the day for the event. We were joined by Club sponsors on the day including The Juniors Group, Randwick City Council Mayor and Councillors, NSW Sports, Maroubra Seals, Clovelly Community Bank, Hutch Legal, Southend Hotel and of course regular event participant runner The Hon Matt Thistlethwaite.

Another successful Sportsperson Day was held Sunday 28 January in our Horizons venue catered by Top Cat and was very well attended raising funds for our Summer and Winter touring teams. Our MC 'Chime's was again the true professional, thank you.

Our guest speakers this year were brilliant and very entertaining :

- Stephanie Bantz – Sports Presenter/ Commentator
- Michael 'Madge' Maguire – 2024 NSW State of Origin Coach
- Greg Ritchie – Former Australian Cricketer and Comedian
- Pat Webster – Horse Trainer/Racing Personality and Author 'Happy Clapper'
- Jack Wighton – South Sydney Rabbitohs

Thank you to Mark Ellison (South Sydney Rabbitohs) and club member Mark Arbib for their assistance in securing our guest speakers. Stretch and I appreciate your invaluable assistance.

We must also acknowledge Randwick City Council, The Juniors, Maroubra Seals and Hutch Legal in particular who always get tables together to support this major fundraising event.

The annual Remembering Our Members was held in January 2024. The importance of this day is a time to reflect and remember, this year we were hit hard with the tragic sudden loss of Life Member Horst Menzel in November 2023. His passing was such a shock for us all and especially his family. We were joined by the Menzel & Torsellini families at our Remembering Our Members day to pay tribute to Horst who is sorely missed. We sure miss not seeing Horst working the surf club bar, swimming laps of the beach or having a chat to all at the Club.

Within 2 weeks of our event in January, we were rocked by the passing of Life Member Ray 'Robbo' Robinson. Wow what a sad couple of months we were having. After Ray's funeral we dedicated a Sunday to remember Ray and were joined by two of his daughters Jacqui and Joanne and their families. Life Member Phil Vanny shared some great stories remembering Ray on the day. Another wonderful friend and hard-working member of the club gone but never forgotten.

We conducted the annual Gold Members and Life Members function on 25 February 2024 which was well attended.

We hosted our Club Sponsors and friends on the verandah of Horizons for lunch on Friday 1 March 2024. These occasions are important for us to acknowledge the funding, friendships, and valuable contribution that our Sponsors give to our Club. We displayed various items of lifesaving equipment on the grass area in front of the clubhouse including our new Trailer donated by Clovelly Community Bank.

CLUB CONSTITUTION & REGULATIONS

Objective 3: of our Strategic Plan Review Club Constitution and Regulations review on a need's basis and a full review for relevancy to occur every 3 years.

SLSNSW have updated the Club constitution template which we shared with our constitution committee. An update of cosmetic corrections is in DRAFT format and will be finalised next season.

The Board have been requested to submit any suggestions of changes to the Club Regulations document for consideration this calendar year. If any suggestions of changes are forthcoming the Constitution Committee will then meet to consider and progress this task.

MEMBER RECOGNITION

During the season we had many outstanding results from our surf sports competitors which are detailed in the relevant sections of the annual report.

There have been questions asked from the membership for Aussie Gold medallist recognition in the clubhouse. I am working on this information being compiled and included on our digital honour board in coming months – watch this space.

Members within the club also achieved outstanding success in other areas.

On behalf of all members, we congratulate the following :

- NSW State IRB Team Representatives 2023 – Will Shaddock (Team Captain), Kai Jones, Tara Georges
- Sydney Branch Team Representatives 2023 – Chris Kondilios U15, Dylan Sharpe U15, Rory Muldowney U14, Ryan McNamara U14, Dewa Putu Kishna Inder U13, Marli Mayne U14, Katahra Boyle-Raniga U13, Emily Maxwell U13, Liam Knibbs U12
- NSW State Team Representatives 2024 – Marli Mayne, Chris Kondilios
- Super Surf League Representatives 2024 – Luke Newrick, Ruby Gray, Annabelle Penny, Tom Farr Jones
- NSW Pool Rescue State Team – Ryan McNamara
- 2023 Randwick City Council Sports Awards – Luke Newrick, Andy Newrick, Max Israel
- Sydney Branch Awards of Excellence winners – Nicholas Kondilios, Marli Mayne, Ryan McNamara, Ffyon McCabe, Andy Newrick, Remi Defina-Sperando, Noah Teitler
- Nicole Cooney – independent member in the SLSNSW Lifesaving Standing Committee, Development lead for the ALBERT program and recently elected as incoming Manager Lifesaving SLS Sydney Branch for season 24-25.

OFFICE STAFF TEAM

At the time of preparing this report, we had been advised that our long serving Office Manager Michelle Lo will be leaving our employment in August this year. On behalf of the membership Michelle, we thank you for your nearly 10 years in the club office. Your professionalism and work ethic has been commendable and appreciated by us all. We wish you and Justin all the best with your next venture!

The Board will be doing what is required to fill the void Michelle's departure brings to the Club.

Earlier this year the Board sought the assistance of a couple of Life Members to conduct interviews for the employment of an assistant to the Directors. This process resulted in the employment of Tracey Teitler for 2 days per week to help lighten the load on our roles and to ensure we are on top of what we need to deliver. Welcome Tracey to the team and thank you for your assistance thus far into the role. The role is still evolving as we release tasks Director by Director to Tracey to assist us with.

IN CLOSING

Our Board has worked together this season to deliver leadership of your club. Our mission of saving lives, creating great Australians, and building our community is at the forefront of our daily tasks and thought process when having to make tough decisions for the Club.

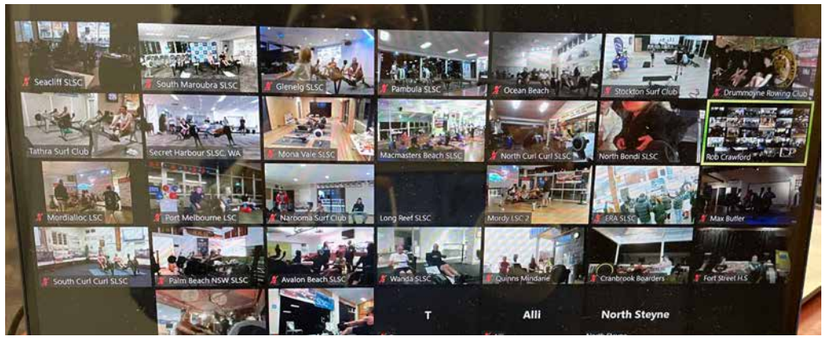

To each of you, I personally thank you for what you have done and the professionalism of your role you undertake. Sometimes our meetings are probably too long, but your time and commitment is appreciated and is the reason for the success of our Club. Thank you.

Till next season.

Linda Perrin
VICE PRESIDENT

24 HOUR ROW

Secretary

On behalf of the Board of Management, I would like to present for your consideration and adoption the 66th Annual Report and Financial Statement of South Maroubra Surf Life Saving Club Inc for the Season 2023-2024.

I am happy to say that once again we had No Lives Lost between the flags during the season. As a Surf Life Saving Club, we should never forget that keeping the public safe on our beach is and will always be our primary objective. We are lucky to have a talented team of members who dedicated their time and skills to this objective and in such keeping our beach safe with expecting nothing in return.

Surf Lifesaving is an institution that offers many avenues and opportunities to people of differing ages, abilities, experiences, and backgrounds. It is quite rare that an organisation provides so many opportunities, especially a volunteer one. The diverse range of opportunities and as such the many distinct roles and the volunteer hours members donate to Surf Lifesaving deserves recognition and acknowledgment. On the beach we have a fantastic team of Lifesavers who give many hours of service to patrols and water safety. To prepare these members for the responsibilities we have our dedicated Education Team who give so many hours of their spare time to ensure our members are highly trained.

We have motivated competitors who benefit from volunteer coaches, section leaders, surf sport officials and a competition team. Behind the scenes, the time devoted to administration tasks and finance cannot be forgotten.

Members also freely donate their skills and services towards fundraising, catering, social events, bar service, repairing club gear and equipment and upgrading club facilities. Our Youth team works hard in preparing and supporting our Nippers and growing ranks of Cadets section – our future lifesavers and leaders.

I'm delighted to see that the club is going from strength to strength on multiple fronts: Record number of Bronze and SRCs coming through the ranks, evidenced by the creation of a brand new Patrol team; huge contingents of competitors representing the club in all disciples and all levels (Branch, State and Aussies) including a resurgence in some of the lesser known events like Pool Rescue, Championship Lifesaving, R&R and March Past; Fundraising activities from all divisions and of course Sunday Socials which has become are real feature for members and public alike.

On the governance side of things, we continue to benefit from digitalised Board papers, minutes and actions ensuring that Board Governance is maintained at the high standard expected of our members. This year we took advantage of the Branch sponsored Cyber due diligence program which provided committee members cyber training and the club as a suite of policies for the safekeeping of sensitive information.

Whilst overall membership growth was a modest 2% year on year, it was terrific to see that the Cadet cohort by a whopping 50% (147 up from 98) and our Active 18+ membership by 13% (206 up from 183). This is a strong leading indicator for a healthy number of patrolling members in the years to come. Unfortunately, we lost two Life Members this year with the untimely passing of Horst Menzel and Ray 'Robbo' Robinson.

With the increased membership there is an increased workload on everyone who supports this club. This year saw the introduction of the Assistant to Directors role as a part-time role in the office, which I know has benefited the directors and I, reducing the administrative burden and providing more insights in the board papers each month. Membership communications is always front of mind and this year saw the introduction of Weekly Lifesaving e-newsletter in conjunction with the Monthly Blu-ing, regular updates to the website and our two social media channels Facebook and Instagram.

Of course, none of this can be done alone - it wouldn't happen without the huge support from my fellow members of the Board of Management and of course from Michelle and Tracey in the office.

Finally, as usual I sign off by saying we are all here to firstly serve the public with a lifesaving service, but also here to make your club as best as we can. We are always open to constructive feedback that can make it even better so please reach out with your great ideas.

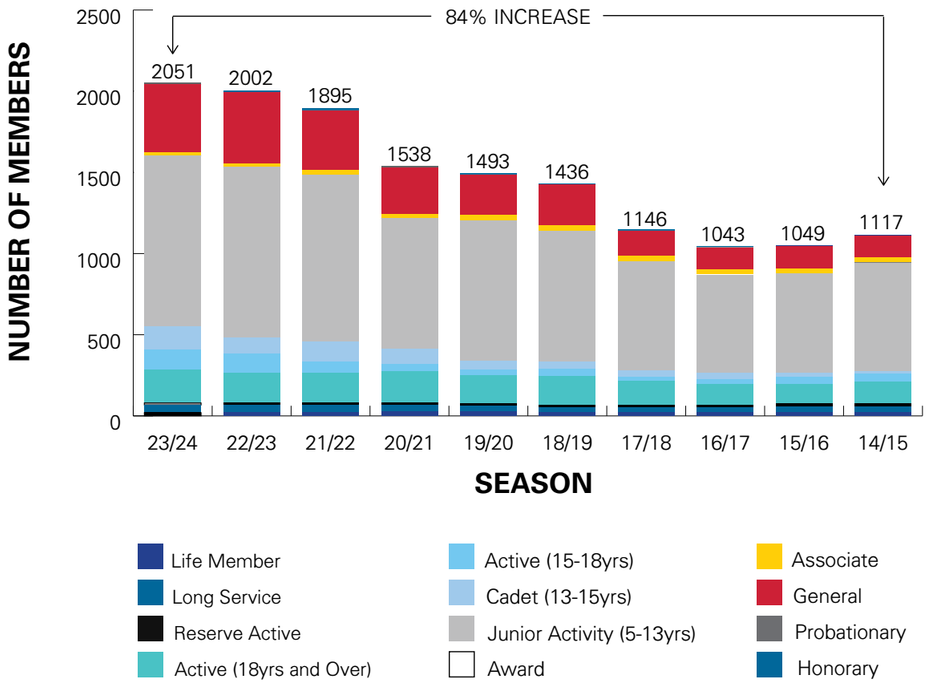

Uri Teitler
HON SECRETARY & PUBLIC OFFICER

SOUTH MAROUBRA AWARDSNIGHT

Director of Finance

It is with great pleasure to present you the annual financial report for the South Maroubra Surf Life Saving Club Inc. for the 2023/24 financial year.

The club reported a net profit of **$250,337** (compared to $159,290 in FY22/23), representing a significant result considering the significant expenditure in ongoing renovations and competition.

During the financial year ending 30th April 2024, the club recorded a **total revenue of $1,279,964** which is up 14% from previous season ($1,121,722 FY22/23), as in previous seasons, this increase was mainly due to the number of private event hires, fundraising activities and club merchandise sales.

Donations, Grants & Sponsorship increased by 21% over the past 12 months.

The Juniors Group and Maroubra Seals Club provided a combined **$34,577** through the Club Grants Scheme with funds being expensed on Lifesaving Equipment, additionally, Maroubra Seals donated **$35,000** that went towards our Ocean Swim and Club maintenance.

Club's In-Kind support to the community, like in previous seasons, and as part of our support and give back to the community, this season we hosted at our club house several organisations for a variety of activities. Organisations such as the Clontarf foundation, who during the past season sent several groups of young youth members that stayed at our premises for 2 to 3 nights. Randwick City Council, NSW Police, St Therese Mascot Primary School, Corpus Christi College – Maroubra, Lycee Condorcet – The International French School of Sydney, and a large number of community sporting organisations, such as The South Maroubra Dolphins Winter Swimming Club, The Coobras (Maroubra) Swimming Club, South Sydney Rabbitohs, Maroubra Lions FC, Sydney University Water Polo Club and Moore Park FC.

Clubhouse Income is derived from Heritage Room hire, BK Bar sales, Club Kiosk and Horizons Lease contract. The Heritage room generated a total of $381,497 ($351,901 FY22/23) noting a positive uplift from Room Hire and Sunday Socials, with the past season trialing Social Sundays throughout the whole year.

Total Membership stands at 2,051. Once again, our Nipper membership this season represented the largest group nationally with **1,149** young lifesavers in training.

Events & Fundraising our revenue increased considerably with strong and active fundraising across all divisions, this season we brought back our annual Fun Run/Oktoberfest Community Event (rebranded), delivered successful events such as our Annual Sportsperson Luncheon, Club Trivia Night, Ocean Swim, and additional activities ran by our sections, like IRB Competition and Nippers.

Thanks to all our competition sections for their yearly commitment to fundraising to assist the funding of our State and Aussie Touring Teams.

Merchandise Sales this season saw a decrease in sales causing an increase on our merchandise inventory, merchandise income generated a total of **$59,130** ($75,050 FY22/23). Our merchandise inventory numbers totalled **$45,139** ($30,248 FY22/23).

Sundry Income like in previous seasons is made up from First Aid/BM/SRC course fees, Touring Team contribution, sale of equipment and payments made by nippers for non-club endorsed carnival entry fees.

This form of income is up **$101,759** ($67,712 FY22/23) due primarily from insurance claim payouts and the sale of retired equipment.

During the past financial period the club showed a 7% increase in expenditure. 23/24 reports total Expenditure at **$1,029,627** compared to $962,432 FY22/23.

Admin and General Operating expenses were increased up to **$151,677** ($105,122 FY22/23) driven primarily due to repairs and maintenance done at Horizons, which was offset by Government grants.

Building & Property expenditure decreased this financial year to **$212,285** in comparison to $240,373 from FY22/23.

Competition expenditure of **$109,658** ($99,210 FY22/23) saw an uplift as a direct result of more competitors in the cadet age group. Touring competition expenditure (Summer and Winter) was fully funded by the team's contribution and fundraising activities. The club kindly supported the teams by covering the cost of the club bus touring and sponsoring Aussies' team dinners across all age groups and sections representing our club.

Lifesaving expenditure as we continue with our growth and member retention, the expected increase in Lifesaving expenses totalled **$111,681** ($104,941 FY 22/23). It is important to note that most of these expenses are covered by the kind provision of grants.

To support our Lifesaving commitment to ensure a safe aquatic environment at South Maroubra, investment was made in the purchase of new a new SSV **$24,750**, Lifesaving equipment **$18,495** and IRB Equipment **$14,826**, and as per the Lifesaving expenses, these listed items were also covered by grants.

Expenses incurred via the maintenance of lifesaving equipment and provision of patrol lunches for our volunteer Lifesavers **$10,974**, Education/Lifesaving Awards and courses **$8,114**, first aid supplies **$2,687**, lifesaving patrol apparel **$22,475** and IRB Service & Repairs **$ 4,357**.

Nipper expenditure decreased to **$97,564** ($104,266 FY22/23), with good fiscal management by the Nipper Committee despite the larger number of competitors. **$36,070** ($10,909 FY22/23) used to fund much needed equipmentment and **$32,227** ($22,391 FY22/23) incurred on competition fees and related apparel. The great effort put in by the Nipper Committee in fundraising activities assisted the club to largely offset these expenses.

Events & Fundraising figures are higher primarily due to the associate cost of Bar Stock **$56,083** ($57,892 FY22/23) and the Gold Members Day function. This season, the Board held again a Sponsors Function.

Member Expenses increased considerably this year to **$81,513** due to the reclassification of capitation fees ($31,371 FY 22/23).

Depreciation – our financial statement stays on the path of our 13-year cycle of **$53,000** per annum deduction (Amortization) from our financial books to remove the listed clubhouse Land and Building value from $700,000 to zero.

In Summary:
As our club continues its healthy growth, we saw a number of increases in our expenses, as well as considerable growth in our revenue.

We trialled Social Sundays throughout the year, which proved to be quite successful. The Board of Management agreed to continue moving forward and having paid bar staff every Sunday of the year. The increase in bar revenue and room hire provided the necessary funding to cover building maintenance and other expenses required to provide a suitable environment to our members and community.

This past season we said goodbye to Gus Taylor, after so many years on the helm of our Bar, as our Club Licensee decided to take a much-needed break and passed the baton to Tony Shaw. I would like to thank Gus for his ongoing support and guidance throughout the years.

I would also like to thank our Bar crew for your support, particularly the members that volunteered your time to support our club at our major fundraising activities.

Thank you to my fellow Board members for your support during the year. The past year was very busy, and I see the next ones to become even busier, thanks to all our members for your ongoing support.

This report has been collated with the support of our office staff, the past season I managed the club finances within my knowledge and capabilities to ensure our club remained financially sound for our membership.

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30TH APRIL, 2024

The financial statements cover the South Maroubra Surf Life Saving Club Incorporated as a not-for-profit individual entity domiciled in Australia.

NOTE 1. SUMMARY OF MATERIAL ACCOUNTING POLICIES

The financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act (NSW) 2009*, *the Incorporation Regulation (NSW)* 2016, the *Charitable Fundraising Act (NSW)* 1991, and the *Australian Charities and Not-for-profits Commission Act* 2012. The committee has determined that the association is not a reporting entity, as it is unlikely there to exist users who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs.

The basis for the decision to prepare a Special Purpose Report is the ACNC guidelines which state that charities with an annual revenue of more than $500,000 but under $3 million are classified as medium size and can submit a Special Purpose Report.

The financial report has been prepared in accordance with the requirements of the *Associations Incorporation Act (NSW) 2009*, the NSW Charitable Fundraising Act and Regulations, *the Australian Charities and Not-for-profits Commission Act* 2012, and the following Australian Accounting Standards:

AASB 101	Presentation of Financial Statements
AASB 107	Statement of Cash Flows
AASB 108	Accounting Policies, Change in Accounting Estimates and Errors
AASB 124	Related Party Disclosures
AASB 1048	Interpretation of Standards
AASB 1054	Australian Additional Disclosures
AASB 15	Revenue from Contracts with Customers
AASB 16	Leases
AASB 1058	Income of Not-for-Profit Entities

Any material accounting estimates, judgments and errors would be fully disclosed if applicable; for this report there are none.

Any related party disclosures would be fully disclosed if applicable; for this report there are none.

No other applicable Australian Accounting Standards, Urgent Issue Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Boards have been applied.

The financial report is also prepared on an accrual basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuation of non-current assets.

The following specific accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report.

Income Tax

The Club is exempt from payment of income tax under the present provision of the Income Tax Act.

Building

The building in which the Club is situated is shown in the accounts as having a net value of $384,387. In the event of a termination of the lease of the premises, it is anticipated that the building would not have a realisable value. The cost of the building will be depreciated over the remaining term of the lease with Randwick City Council due to expire 30th June 2031.

NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30TH APRIL, 2024

NOTE 1. SUMMARY OF MATERIAL ACCOUNTING POLICIES (CONTINUED)

Inventories

Inventories are measured at the lower of cost and net realisable value.

Events Subsequent to Balance Date

There were no significant events occurring after balance date.

Cash Flow Information

The Club has no credit stand-by or finance facilities in place.

Insurance

A Public Liability Insurance Policy is held by the Surf Life Saving Association of Australia Providing inter alia cover for the Club and members of the Club whilst engaged in lifesaving activities or properly authorised duties as approved by the Club.

Fundraising Activities

Net fundraising is applied to the operational expenses of the Club/Branch in its core lifesaving activities.

The club operates under the SLS NSW fundraising number CFN11033 (up to May 2024, and the club's number after May 2024).

Charitable Fundraising Act 1991: This Act and supporting Charitable Fundraising Regulations prescribe the manner in which fundraising appeals are conducted, controlled and reported in NSW. The amounts shown at Note 9 are in accordance with the Authority Condition 7, which is issued to the Club under section 19 of the Act.

Donations and bequests: These are returned as income as and only when received at the Club's administration office or deposited into the Club's bank account. As specified in the Act, unsolicited donations, members' donations and bequests are not treated as fundraising income when determining information required under the Act.

Cost of fundraising: Cost use in Note 9 includes all direct fundraising costs in accordance with the Act. The inclusion of indirect costs is discretionary. Excluded indirect costs include overheads such as the time spent by accounting or office staff administering appeals, cost apportionment of rent, light and power, and insurance. Exclusion of the indirect costs decreases the cost of fundraising.

COMMITTEE'S DECLARATION
FOR THE YEAR ENDED 30 APRIL 2024

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 in the financial statements.

In the opinion of the committee the financial report as set out in this report:

(a) Presents a true and fair view of the financial position of South Maroubra Surf Life Saving Club Incorporated as at 30th April 2024 and its statement of comprehensive income for the year ended on that date.

(b) At the date of this statement, there are reasonable grounds to believe that South Maroubra Surf Life Saving Club Incorporated will be able to pay its debts as and when they fall due.

(c) The financial statements and notes satisfy the requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

(d) The internal controls exercised by the South Maroubra Surf Life Saving Club Incorporated are appropriate and effective in accounting for all income received and applied by the South Maroubra Surf Life Saving Club Incorporated from any of its fundraising appeals.

(e) The financial report are true and fair and the Club has appropriate and effective internal controls that satisfy the requirements of the *Charitable Fundraising Act 1991*.

Dated at Maroubra this 30th day of June 2024.

Signed in accordance with a resolution of the Committee.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
SOUTH MAROUBRA SURF LIFE SAVING
CLUB INCORPORATED

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of South Maroubra Surf Life Saving Club Incorporated (the Association), which comprises the statement of financial position as at 30th April 2024, the statement of profit and loss, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of material accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In our opinion the accompanying financial report of South Maroubra Surf Life Saving Club Incorporated, is in accordance with the *Associations Incorporation Act 2009* (NSW), *and the Australian Charities and Not-for-profits Commission Act* 2012, including:

(a) Giving a true and fair view of the association's financial position as at 30th April 2024, and of its financial performance for the year then ended; and

(b) That the financial records kept by the association are such as to enable financial statements to be prepared in accordance with Australian Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The committee of the association is responsible for the other information. The other information comprises the information included in the association's annual report for the year ended 30th April 2024, but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon. In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Committee for the Financial Report

The committee of the association is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Associations Incorporation Act 2009* (NSW), *the Australian Charities and Not-for-profits Commission Act* 2012, and for such internal control as the committee determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the ability of the association to continue as a going concern disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SOUTH MAROUBRA SURF LIFE SAVING CLUB INCORPORATED (CONTINUED)

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Money received as a result of fundraising appeals conducted during the year have been properly accounted for and applied in accordance with the *Charitable Fundraising Act 1991* and the regulations.

I confirm that the financial report meets the requirements of the *Australian Charities and Not-for-Profits Commission Act* 2012.

Emphasis of Matter

As is common for an organisation of this type, it is not practicable for South Maroubra Surf Life Saving Club Incorporated to maintain an effective system of internal control over donations, subscription and other fundraising activities until their initial entry in the accounting records. Accordingly, our audit in relation to funds was limited to the amounts recorded.

A message from our sponsors

Our major sponsors play a significant role in operations of the Club and their funding or in-kind services mean that we can provide important equipment to our members and in turn support the community.

Please take a moment to read a little about their businesses and relationship with our Club:

Randwick City Council is proud of our long-standing partnership with South Maroubra Surf Life Saving Club. Through sponsorship, the provision and maintenance of the clubhouse and new beach amenities, we are firmly invested in your success.

Clubs like yours not only work hard to keep the public safe on our beaches. They also serve the local community as places of connection and participation, strengthening volunteerism and developing local leaders and sportspeople.

As a member, I am aware of how hard you all work to make this club so special. As a Councillor and as Mayor, I am grateful.

Congratulations on your achievements.
Philipa Veitch - Mayor

Licencee

2023/24 season was an amazing year of growth for our bar services here at South Maroubra SLSC with internal and external bookings of the BK (Bernie Kelly) Bar/Heritage Room at record levels along with the much loved and very popular Sunday Socials.

The implementation of year-round Sunday trading has seen the patronage of the bar increase. The good weather in the winter season did play an important part in our first year and whether it was a chance to have a social drink chasing the winter sun or simply to watch Sunday afternoon football in the comfort of the club, the year-round trading has proved to be a success, both financially and socially - establishing a esprit de corps within the club.

The current winter season has seen the introduction by Tracey Teitler of a footy tipping competition. A look at the leaderboard has seen a number of football "experts" come unstuck. The inclusion of the tipping competition has added to the raucous behaviour in the bar area during the game.

One of the more pleasing results for the Bernie Kelly bar is the increasing number of the public who are frequenting the club to partake in the Sunday socials. Comments from these patrons regarding one of the best views in the Eastern Suburbs, the low prices and the friendliness of the staff and members bodes well for the future of both the bar and the club in general.

The position of Licensee for the club has officially been transferred from Gus Talyor to me. I would like to thank Gus for all his years of service as the Licensee. His initial support when I started to take over the functions of Licensee was excellent.

Again, this year the very important social side of the club was simply outstanding with the following events a taste of what we hosted in the BK Bar and Heritage Room.

- Dolphins Winter Swimmers every Sunday throughout the off-season
- Australia Day Celebration
- State of Origins
- Gold Members Day
- Boat Presentation and Carnival
- Social Sundays 12 months of the year
- Trivia Nights
- Celebrations of Life
- Anzac Day – 2 Up
- NRL footy tipping during winter (courtesy of Tracey Teitler)
- Numerous bookings Friday, Saturday, Sundays etc.

Wow what a year and importantly what a great financial outcome, the income derived from all of this either went towards the expansion of our Admin support services to reduce the workload of our clubs volunteer leaders or into our savings for future club renovations which is exciting.

Whilst our club now pays for all bar staff services for each and every club booking and successfully extended this initiative to Social Sundays, we still have a relatively small band of bar staff and volunteers who make every bar event the best it can be. Each Social Sunday morning members like Stretch, Greg Morris, Uri Teitler, Matt Brown, set up tables and chairs for guests and then with the help of a few other members put everything away after trade at 6pm. There are too many names to mention but thank you so much for your help with bar services and general room upkeep.

Olena Stanilovskiy who volunteers each week for several hours looking after Dolphins along with Philipa Stanley who headed our professional bar staff and have done a great job training other bar staff up. We hear nothing but compliments about these ladies supported by our younger crew.

Thank you to all the members that have booked our function room for your special event, there's no better place to have your function then our club so keep that in mind this next season and be sure to recommend us to others. Don't forget the special 'members room hire rates' on offer to patrolling members.

Thanks Stretch, Michelle Lo, Barry Osborne for managing stock control and cleaning up of the cool room. Also, thanks to the Top Cat Team working in cooperation with the club for major events in the Horizons Function room including Sportspersons Day, Trivia Nights and of course the well supported Club Presentation Nights.

This season also saw the return of Oktoberfest (under a different name) after Covid, it was a slow start but vital funds were raised for our Summer and Winter competitors, plus for the first time those that received the funding were required to work the event which I must say went well. Put the 4th Sunday of October 2024 in your diary as we plan to run Oktoberfest again only this time bigger and better.

Thank you to our club office manager, Michelle, who does so much work behind the scenes working with clients and coordinating the Heritage room use throughout the season. It's a massive job only getting bigger with club courses, Clontarf overnight stays and so many community groups using the facility. Michelle will be leaving us in August, what a big loss to the club but a big thank you needs to be extended to her.

I'd also like to thank the Board of Management for your support of recent initiatives including the new bar, massive TV screens, room paint jobs and general maintenance, and of course the new leather bar stools all of which have contributed to the experience and success of the facility.

Farewell Horst Menzel, Life Member, a long-time volunteer barman, former club Licensee and all-round good guy, you'll be sadly missed here at the club bar and across every aspect of the club. Also, a fond farewell to Ray 'Robbo' Robinson, Life Member who could generally be found after squad training entertaining members on the other side of the bar with his wit, charm and knock about character. Two long time legends gone!

Finally, I am in a position to advise that after much consideration and work by the Board of Management, in particular Uri Teitler, we will be introducing a 'Bar Loyalty Program' at the start of the new season, so stay tuned for more information.

Thank you and see you during our Social Sundays.

Building Coordinator

Our Club House – Many of those reading this report may not realise but again this past season we did a great deal of work and spent significant funds on our building to keep it in a presentable, compliant, functional and safe state.

This building is a 60+ year old structure so as it continues to age, so do the problems that are associated with an old add-on building located in one of the most testing weather environments with harsh sunshine, salt, driving rain and winds. Painting and repairing break outs of concrete cancer are always on the radar and with that I must thank Dulux Paints who are a sponsor of SLSA and contribute 100L of Weathershield per year to each club.

As mentioned above our club has grown structurally over its 60 years when building standards were so much different and membership was several hundred now heading towards several thousand. This year we discovered wiring and safety systems were dated and needed replacement, concrete cancer below the surface soon requiring excavation and treatment, external render that continues to crack open, club access and amenities that are well out of date. It is for these reasons and many more that your Board of Management is responsibly looking towards the future and planning a major renovation so as to have a fit for purpose facility that caters for the modern needs of a surf lifesaving club and its members whilst also continuing to share many of our rooms with community group, schools and emergency service organisations highlighted regularly on social media.

So, as we consider future building works, we also start the process of saving club funds towards what we know will be an improved club for all. Thank you to the Board for your vision and for ensuring responsible financial management which will ultimately contribute towards a better community club suitable for the next 50 years.

Special mention to a wonderful member Andrew McCabe for his liaison between Gallagher Security Australia and Johnson Controls for their donation of Goods and Services, i.e. CCTV and Access Control.

Other works completed this year include;

- At the cost of $22k the full upgrade of the Power Boards controlling the first 2 floors
- Refreshing of the BK Lounge and Heritage room.
- Approval for the epoxying of the new Lifesaving facility as stage 1 of the move into this space
- Conversion of the old public toilets into archive and general storage facility including a full disinfecting, cleaning, painting and provision of new shelving.
- Conversion of the old archive room into a stores room
- Upgrade of the access control and CCTV security system.
- Provision of new leather seating for the BK bar and Heritage rooms.
- Leak repairs in Horizons (ongoing)

Thank you to Randwick City Council, Club Sponsors, Matt, Barry and Lesley, Todd, Nick, Callum, Linda and all those who help us maintain and keep the club looking great and gymnasium in good order and a big thank you to the Board of Management for your vision and understanding that pouring good money into a much-loved but aging building is not a sustainable position long term.

Looking forward to a big 2024/25 season.

LIFESAVING REPORTS

Director of Lifesaving Services

This lifesaving season was particularly challenging from a few perspectives, not least of which was having a rookie Director of Lifesaving Services! It has been a steep learning curve this year, and I received immense support from Ash and Nicole, who stepped in without hesitation to support with their time and expertise, especially when my work commitments limited my availability. It really was a team effort, and I couldn't have made it through the season without your help. Thank you both.

The most important outcome of this season was no loss of lives between the flags. This is a testament to the training, skill and dedication of our patrol members and the strong leadership of our patrol captains. Our beach continues to be popular, with over 63,000 visitors during patrol hours. To keep this many people safe in a dangerous environment is an incredible service to our community and one of which we should all be very proud. I'd also like to thank the Randwick City Lifeguards for their professionalism, assistance and co-operation throughout the season.

We had to deal with unusually tricky conditions this season, including several nasty rips that persisted for a significant portion of the summer. These conditions ensured some challenging days on patrol, and we conducted a total of 66 rescues during patrol hours this season. It's also worth noting that a few particularly impressive rescues were performed by our members outside of regular patrol hours. Notably, we performed 3,125 preventative actions across the season. This is probably one of our most important statistics, as many of these actions no doubt avoided the need for more rescues.

Our team logged 600 first aid treatments this season. Our ice machine copped an absolute flogging, with bluebottles being an almost constant presence for a long stretch of the summer. We also had to deal with some unusual and difficult scenarios on the sand this season, which were handled with compassion, skill and care.
Many of our patrol members provided water safety support for nippers, various ocean swims and other events. We proudly participated in the Rainbow Beaches patrol, showing our support for Lifesavers with Pride and making sure all members of our community feel safe and welcome on the beach. We also celebrated International Women's Day (IWD) with a special patrol.

Our education team, led by Nicole, did an incredible job boosting our ranks of new patrolling members, and developing the skills and qualifications of existing members throughout the season. This enabled us to establish a new patrol led by rookie captain Remi, and to strengthen existing patrols. Peter West and Chris Grant stepped up to share PC duties this year, and we have an eye on graduating a number of vice captains into new PCs in the future. Building surf skills among patrol members – both during patrols and with extra training - will be a focus for the lifesaving team next season.

One incredible achievement this season deserves special mention. This year saw Max Murphy's last patrol after a staggering 55 seasons of service. Huge effort Max!

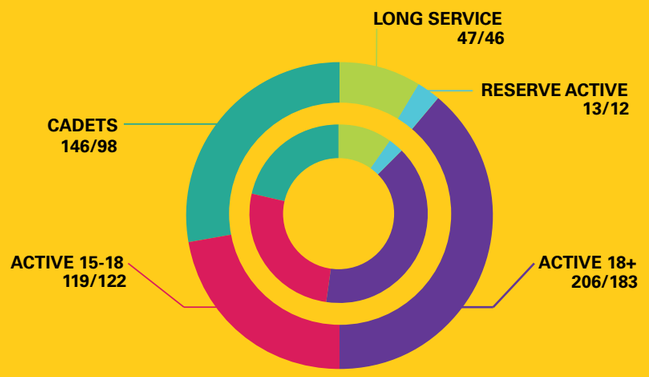

There are too many people to thank by name but a few groups deserve special mention. I'd like to thank the IRB section, especially Will, Josh, Scott, and Rene for keeping our boats and motors ready for patrol and, Greg, Ken and others for keeping all our gear on the beach and ready for service. Keeping a club like South Maroubra running takes a lot of financial support, so a big thank you to our sponsors. Your contributions help us maintain the high standards of safety and service on our beach. I'd also like to acknowledge and thank the Board of Management for your support and guidance throughout the season, and for putting in the huge hours it takes to keep the club running. A huge thankyou to the entire lifesaving team, especially our patrol captains. Your dedication and skill are the backbone of our success. Thank you for managing your teams so effectively and ensuring the safety of all beachgoers.
I am proud to be part of this committed and hard-working team. I know we all get a sense of personal achievement and satisfaction from training and patrols, but the service we provide to our community can't be underestimated. Thanks for a great season

IRB Lifesaving Coordinator

A very successful and challenging 2023-2024 season in the lifesaving IRB space. This was my first season as the IRB Coordinator and very much a learning season for me with many observations over the season. The IRB section has had a successful season, from lifesaving members showing up time and time again for patrols, training and events. With two new patrols introduced this season means more IRB drivers and IRB crew are required to cover the existing patrols and the new patrols, this was covered successfully this season. I would like to give a big thank you to William Shaddock.

Over this season the both of us worked closely together to ensure that engines and hulls for patrol, training and events were available and ready. If there was an issue with an engine William would ensure this was taken care of or another engine available to replace the unavailable engine. For hulls I engaged a resource I've used at other surf clubs to come and repair the hulls as required.

This season the IRB section continued to grow through training. First course of the season was the IRB drivers course with 10 new drivers passing the course. Then we had the first of 2 IRB crew courses. One crew course in November / December and the other in March where 18 new crew obtained that award. A big thank you to Nicole Cooney for putting these courses together and ensuring there was trainers on the beach and assessors for the exams when required. Another thanks to all the trainers that helped out in the Drivers and Crew courses. The training team this season consisted of Nicole Cooney, Rene Prochnow, Andrew Wem, Ben Keenan-Smith, Coco McCarthy, Isabelle Hazlewood, Damian Woods and myself. The quality of training and the in-depth knowledge from this training team continue to impress me and deliver quality recruits. Running IRB training is always challenging, considering the number of surfers, swimmers, and conditions, we see our candidates having to be on the beach ready to go at first light. With all these challenges and obstacles ensures that the trained drivers and crew get the best training and ensure they can handle all conditions when they are required to patrol and perform rescues.

Our growing IRB operator numbers ensured that the two new patrols were covered and ensured a safe operation this season. I would like to thank Rene Prochnow and Nick Pavlakis for organising all the water safety at the various carnivals and events throughout the season. All IRB water safety shifts at branch and states at Queenscliff were covered. This year also saw the IRB team perform water safety for the Australian Rowing championships at Penrith from the 17-24 March. This was a busy week to all involved and huge thank you to all involved in a successful week. A special thank you to our IRB competition team that helped with the club's Ocean Swim. There was 5 IRBs on the water for setup, water safety and pack down for another successful event. Maintenance and having the gear in good order is of high priority for IRBs. Thank you to Joshua Ricamara and Laurie Golsby for being available when required to perform maintenance and ensure gear is ready. With assistance from Ken Hudson and Greg Morris to ensure fuel and various parts required are delivered to the IRB area.

I would like to thank all who have helped me through this season, whether it was to give advice, help training sessions, turn up to patrols or perform water safety, it was greatly appreciated. Work is already underway to ensure the IRB area is ready for season 2024-2025.

ON THE BEACH

Education Coordinator

Recruitment, training, and upskilling has been a big focus over the last few seasons, and this season was no different.

We continued some of the initiatives we started last season such the Bronze Transition and SRC intensive courses, including the First Aid course in the Bronze Medallion, and added in some new initiatives such as also including the Advanced Resuscitation course with the Bronze Medallion. Now our members who complete the Bronze Medallion don't only exit with their Bronze, but also with a First Aid certificate and the Advanced Resus, making them highly qualified lifesavers.

We ran two Transition Intensives and one SRC intensive this season, these intensive courses continue to be popular.

We are a small education team but we put through a great number of awards this season with a total of 345 awards this season, the second highest in the Randwick District after Coogee (386). When you consider the membership base and the number of trainers they have, we as a Club we should be extremely proud of the results delivered.

We have an impressive 133 new lifesavers this season, including 52 new Bronze Medallion holders, as well as a massive 81 new Surf Rescue Certificate holders. With oxygen administration no longer a part of the BM course it was important we had more members' up skill in the Advanced Resuscitation Techniques Certificate (ARTC), this season we trained 45 more on this vital skill. The one-day intensive ARTC course continues to be well received by our members.

Additionally, we trained 20 of our nipper kids in the Resuscitation awards and these kids are well on their way to becoming SRCs in future years. In our IRB space we put through 17 new IRB Crew, as well as 9 new IRB Drivers. We've also had members take up higher awards such as the Silver Medallion Aquatic Rescue (6), Silver Medallion Patrol Captain (5), and senior First Aid Certificate (78). These higher awards provide us with members who will have a greater awareness and capability while on patrol.

Finally, but by no means the least, it's also been great to see new trainers join our training team. We can never have enough trainers and I hope we can see even more join us in the new season. If this interests you, come and have a chat with me or one of our trainers to learn what it's all about.

I have to thank Codie Wem and Remi Defina-Sperando who really stepped up this season to help out. Codie took out Trainer the Year for the Club for her dedication to skills maintenance and SRC. Genevieve took out our club Rookie Trainer this season, and well deserved!

Remi won Trainer of the Year at Sydney Branch, a great achievement considering he was overseas for part of this season but still managed to complete the Assessors course. Let's keep our fingers crossed for Remi at the State Awards.

I can't write this report without mentioning the passing of Ray 'Robbo' Robinson during this season. Ray was my first ever education mentor, he taught me so much not only about training but the joy in it as well. He was a minor celebrity with all the kids! He is dearly missed.

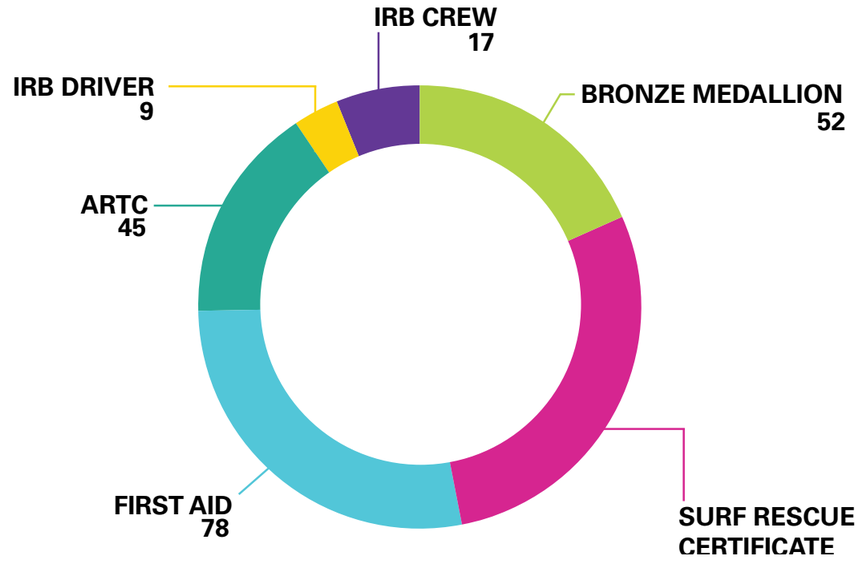

This season will see me step down as the Training and Education Coordinator, but I will still be around as a lead trainer as I do love training. I particularly enjoy seeing candidates come out the end with big smiles in their face and proud of their great achievement. As I step down I need to thank Cathie Hall for always being on the end of a phone for me with all my questions, and for bring my other great education mentor, and Linda Perrin at Sydney Branch who is forever helpful and the both of them always with a smile on their faces!

A big thank you to all our Trainers and Assessors. Without your continued effort each and every season, giving up your personal time on top of your regular patrols, we would not be in the position we are today. I genuinely appreciate all you give to education at the club and I look forward to working with you all again next season.

NIPPERS REPORTS

Director of Youth Development

South Maroubra Nippers saw another successful season in 2023/2024, with 1068 registered nippers again making it the largest Nipper section in Australia for a third year running. The program's success was driven by the dedicated efforts of nippers, parents, water safety personnel, coaches, age managers, beach assistants, the Nipper Junior Committee, officials, educators, and Sunday morning patrols - truly taking a village!

At South Maroubra, the Nipper education program is designed to teach our youngest members critical surf safety and lifesaving skills. It is through this program that we instill a deep respect for the ocean and develop the future lifesavers of our community. The Nipper education program remains the cornerstone of our efforts at South Maroubra Surf Lifesaving Club. By prioritizing education while also embracing the value of regular activities and competitive events, we are dedicated to providing a comprehensive and enriching experience for our Nippers. We are blessed at South Maroubra to have an exceptional group of volunteer Age Managers, Beach Assistants, Water Safety and Surf Sport Coaches. You make it happen each week and your roles are pivotal to the success of Nippers with your enthusiasm and passion for delivering this wonderful program to our nippers each week.

We once again elected a Junior Nipper Leadership Committee from our Under 14 Nippers. Congratulations to Ffyon McCabe & Isaac Kerry on being elected as Junior Club Captains, ably supported by a committee of Piper Ellis, Clementine Saunders, Dominic Smith, Owen Roorda & Owen Lloyd-Jones. I extend our deepest gratitude to the Junior Nipper Committee for your outstanding leadership and dedication. Your leadership and vision have set a high standard for excellence. Your contributions have been invaluable and we are profoundly thankful for your commitment to the South Maroubra Surf Lifesaving Club, our nippers and our community.

COMPETITION/TRAINING

At a competition level, our season was once again a very successful one with a strong 118 representatives in our Competition & Touring Team. South Maroubra junior athletes were successful in finishing 3rd in the overall point score at the NSW State Age Championships at Queenscliff and North Steyne. In the NSW State Adaptive Championships we once again had Benjamin Pellow & Daniel Driscoll representing South Maroubra. Your dedication and perseverance have been an inspiration to us all. We also sent a large contingent of nippers to compete at the NSW State Pool Lifesaving Championships, with some of our junior athletes announcing themselves as stars of pool lifesaving.

This season has been marked by numerous successes and personal bests. Whether it was in the surf, on the sand, or in the pool, your performances have showcased your exceptional skills and dedication to the sport. From medal wins to personal milestones, every achievement is a testament to your hard work and passion. Beyond the medals and accolades, it is the camaraderie and team spirit that truly define our competition team. The support you have shown each other, the friendships forged, and the collective enthusiasm have created a positive and empowering atmosphere. This unity is a cornerstone of our club's values and a source of great pride. As we celebrate this successful season, we also look forward to the future with excitement and optimism. Your achievements this season set a strong foundation for continued growth and success. I am confident that with the same dedication and passion, we will achieve even greater heights in the coming seasons.

To our Junior Coaches Marty Kiernan, Andy Newrick, Corinne Henville, George Alexiou, Tim Jeffries, Liam Maley, Murph Renford, Max Murphy, Kelly Ellis, Liliana Alexiou & Jasmine Alexiou and all of the water safety volunteers, I thank you for your guidance, support and encouragement. Your

knowledge and commitment are appreciated. You all invested a massive amount of time and energy developing our Nippers competitive skills. It is rewarding to see how these young athletes develop to become great lifesavers.

To all of our carnival officials, water safety, IRB drivers and first aid personnel who have supported our section over this season and volunteer their valuable time, thank you. Without you, our nippers would not be able to compete.

I would like to extend my heartfelt gratitude to our Competition Team Manager, Carissa Kiernan. Carissa's exceptional dedication, organizational prowess, and unwavering work ethic have been instrumental in our successful season. Her meticulous communication ensured that every member of the team knew where they needed to be and when, making the coordination of our activities seamless and efficient. We are forever grateful, and our successful season would not have been possible without you.

Congratulations to Liam Knibbs, Emily Maxwell, Katahra Boyle-Ranga, Krishna Inder, Ryan McNamara, Rory Muldowney, Marli Mayne & Christopher Kondilios for being selected to be a part of the Sydney Interbranch Team. Marli & Christopher also went on to represent NSW at the Interstate Championships.

Our Junior Development Programs success was recognised at the 2023/2024 Surf Life Saving Sydney Branch Awards of Excellence with finalists in the Junior Development Category being:

- Nicholas Kondilios - JD Athlete of the Year (9-10 yrs) male - Winner
- Ryan McNamara - JD Athlete of the Year (13-14yrs) male - Winner
- Marli Mayne - JD Athlete of the Year (13-14ys) female - Winner
- Christopher Kondilios - JD Athlete of the Year (15yrs) male - Finalist
- All Age Beach Relay - JD Team of the Year - Finalist

These awards are a recognition of the hard work and dedication for all these finalists. Congratulations to these finalists and category winners.

AWARDS/PRESENTATIONS

Congratulations to the Nippers who received their 100%, 200%, 300%, 400%, and even 600% & 700% attendance trophies. These awards are a well-deserved recognition of the commitment shown by the nippers and their families. Additionally, congratulations to the recipients of the Coaches' and Age Managers' awards and Club Champions for your age groups. Our last day of nippers was a bittersweet occasion, filled with joy and laughter but also emotional as we bid farewell to our U14s. We look forward to seeing you on patrol.

The Bruce Rutherford Memorial Award for the most outstanding surf female nipper competitor of the season was awarded to Sophie Maley, well-deserving recipient, congratulations Sophie. This year, the Max Murphy Shield, who's recipient was in recognition for outstanding contribution to Surf Sports - Beach Events, congratulations Marli Mayne for being the recipient of this shield, well deserved.

Thank you to all at Sydney Branch for your ongoing support of our Nipper Program. Your continuous support has played a crucial role in the achievements of our club this season. The resources, training programs, and expert advice provided by the Sydney Branch have been instrumental in enhancing our operations and services.

To our Nipper sponsors, Nixco and Holfords Pool Services, thankyou for your continued support of South Maroubra Nippers. Your contributions have enabled us to provide high-quality equipment, uniforms, and training materials that are essential for our Nippers' development. Together, we are making a significant difference in the lives of our Nippers and the safety of our beaches. We look forward to continuing this successful collaboration in the future.
During the season we held our annual Nipper Trivia Fundraiser. What a night it was! Thank you to all that attended and to all who generously donated to the cause. Because of your incredible support, we raised close to $18,000! Your contributions will make a significant impact in supporting the nipper program with the purchase of new equipment. We cannot thank you enough for your support.

On a personal note, I would like to express my appreciation to Paul Fownes our President, Linda Perrin our Vice President and all of the Board of Directors, Lifesavers and members of our great club of South Maroubra for their ongoing assistance in my third season as Director of Youth. Working alongside such a talented and passionate group of individuals has been a rewarding experience. Together, we have navigated challenges, celebrated successes, and laid a strong foundation for the future of South Maroubra Surf Lifesaving Club. Your support has been a source of motivation and inspiration, driving us to continually strive for excellence.
Finally, to the nippers, thank you for choosing to be a part of the South Maroubra SLSC.

Watching you grow, improve, and gain confidence in your abilities is incredibly rewarding for all of us at the club. Your dedication, enthusiasm, and spirit are what make our club so special.
See you all for the 2024/25 season.

COMPETITION REPORTS

Director of Competition

Season 2023/24 has been one of absolute achievement with some amazing results and it gives me much pleasure to write this report on behalf of the Competition Committee. Our plans to build the whole club competition team are materialising and the results are following. This season we had athletes competing in all sections with a large increase in Champion Lifesaver, R&R, March Past and Pool Rescue, very pleasing to see. Our Cadet and Junior numbers have increased dramatically finally holding onto our members coming through the Nipper program.

The winter IRB team competed with a team of 40 with State Titles being at Ocean Beach and Aussie Titles being at Kingscliff finishing a well-deserved 3rd Overall at State and Aussie. The summer team had the largest ever touring team of 120 with State Titles at Queenscliff and Aussies being spread between Maroochydore, Alexandra Headland and Mooloolaba on the Sunshine coast. The summer team finished a respectful 9th at State and 15th at Aussies. Between all teams we bagged an amazing 105 State Medals and 43 Aussie Medals, the best South Maroubra has ever done, congratulations. Notable results are listed in the following pages.

There were a few outstanding results this season which I would especially like to highlight:

Chris was also selected in the Sydney InterBranch Team and went on to also be selected in the NSW Interstate Team, a wonderful achievement.

This season we ran numerous events to raise money for our touring teams and I would like to thank everybody that helped in making them so successful.

- South Maroubra Ocean Swim
- Sports Persons Day
- South Maroubra Boat Carnival
- Maroubra Fun Run
- Australian Rowing Championships Penrith
- Nudie Swim
- Vlad Swim

I would like to thank our wonderful Coaches & Officials that have given up many hours to make it possible for our athletes to compete year round.

I would like to congratulate the following Major Competition Award recipients nominated by their peers and voted by the Competition Committee:

- Swim Competitor of the year – Grace Madden
- Board Competitor of the year – Willow Skene
- Surfboard Competitor of the year – Aidan Renford
- Beach Competitor of the year – Luke Newrick

Ocean Swim

The gods were once again on our side for this year's South Maroubra Ocean Swim backed by our leading sponsor The Maroubra Seals Club. The day was picture perfect and we had by far the best conditions to date. The competitors arrived in droves and we finished with well over 500 swimmers, a 20% increase from last year. We are continuing to cement ourselves as a popular event in the ocean swim calendar with many repeat competitors. This year we had some prize money up for grabs with the aim of drawing in some elite swimmers to raise the profile of the event. The first male and female home in each event received $50 for the 500m, $100 for the 1k and $250 for the 2.5k.

Our amazing South Maroubra Workforce turned up in droves and the day ran without a hitch. This year we opened up the 500m swim to all age groups looking to promote first time ocean swimmers. This was a hit with many backing up for the 1k or 2.5k. After feedback from last year's swim, we brought the course closer to shore taking up the entire beach which also helped with the water safety component. Our trusty boaties led out each swim and we had a large water safety crew on hand to help our swimmers around the course. Thanks to all the surf club members that helped on the day, you are very much appreciated.

We were once again entertained by the wonderful Emily Miers and Michael "Murph" Renford as our MCs for the day as they briefed the swimmers, kept the supporters up to speed and gave some lovely interviews on the beach. Supported once again from our friends at the Can Too Foundation, we had many first-time ocean swimmers who achieved lifelong goals and provided some wonderful moments at the finish line.

I would like to thank the sponsors and partners (listed below) that continue to support the swim all backing up from last year. Your contribution is much appreciated, and the swim would not have been possible without your support. I hope our partnership continues for the years ahead.
We teamed up again with partners Ocean Swims, Race Roster and Multisport for the marketing, registration platform and timing who were once again flawless in helping to run a professional event. The day again combined with our end of season patrolling, partying into the late afternoon with live music and refreshments.

Thank you to the wonderful swim committee who backed up from last year. We all worked well together, making it a pleasure once again. Thanks to the Board for their support and help as always. Lock it in the calendar for next year hoping for a bigger and better South Maroubra Ocean Swim

COMPETITION IN ACTION

IRB Competition Coordinator

I am delighted to present the annual report of the South Maroubra Surf Club's Surf Life Saving Inflatable Rescue Boat (IRB) Team for the Winter season. This report highlights the team's outstanding achievements, notable rankings, and the unwavering commitment of our competitors.

Performance and Achievements
The IRB Team demonstrated exceptional skill, dedication, and determination throughout the Winter season, securing multiple first-place finishes and notable rankings at the State level. We extend our warm congratulations to William Shaddock, Tara Georges, and Kai Jones on their selection to represent NSW in the State Team, a testament to their impressive talent and hard work.

Notable Achievement: 3rd Place Finish in State Titles:
One of the most notable achievements of our Surf Life Saving IRB Team during the Winter season was their remarkable 3rd place finish in the State Titles. This outstanding performance is a reflection of the team's exceptional skills, rigorous training, and unwavering commitment to excellence. The team's dedication to their craft and ability to work together seamlessly enabled them to achieve this impressive result.

Competitor Commitment:
The success of the South Maroubra Surf Club's IRB Team would not have been possible without the tireless efforts of our competitors. Each team member demonstrated an unwavering commitment to improvement, dedicating countless hours to training, practice, and preparation. Their commitment to upholding the highest standards of surf life saving and maintaining physical fitness was commendable. The team's support for one another and sportsmanship throughout the season exemplified the values of our surf club.

Support and Guidance:
I would like to acknowledge the significant support and guidance provided by our coaching staff, club officials, and supporters, which played a crucial role in motivating the team to overcome challenges and achieve outstanding results.

I express my sincere appreciation to each member of the South Maroubra Surf Club's Surf Life Saving IRB Team for their exceptional spirit, dedication, and outstanding performances. We are incredibly proud of their achievements and look forward to their continued success in future seasons.

IRB TEAM IN ACTION

Surf Boat Coordinator

The 2023/24 season was my first full season as Boat Captain and what an enjoyable season it has been. This is the youngest core group of rowers we have had in a very long time and watching this group grow and learn throughout the season is extremely exciting and promising for the seasons ahead.

This season has been a year of growth for the boat section. We saw new U19 rowers come on board learning to row and compete, along with some older faces coming back to the club after a hiatus. The inclusion of a new sweep to the club to help us through the season in Harvey Barrat could not have come at a better time given the number of crews we had.

It was a busy year for carnivals with our section going to 13 carnivals spread along the coast of Australia. From ASRL, the second biggest carnival on the calendar, down to Lorne and Australian titles up at Alexandra headlands. A huge thank you to all those who towed boats to and from carnivals this season with special mention to Mark 'Moey' Ingelmo for making the journey to Lorne and back for our club.

We wouldn't have been a section without the help from the sweeps and coaches. The work that they put in behind the scenes week in and week out allowed us to gain structure and new skills that not only helped us this season but laid the foundations for seasons to come. Special thanks to Jarrod Cullen and Mark Featherstone for giving their time with programs and technique coaching. Moey in particular had a huge season not only rowing but sweeping as well. This season's MVP was Harvey, sweeping 5 crews meaning most carnivals had him at the beach for the whole weekend.

We are fortunate to be a part of an extremely supportive Club in all aspects. I'd like to thank the Board of Management for their ongoing support throughout the season and the officials who show up to every carnival. Without you all we wouldn't be able to attend and compete in these carnivals.

See you all on the beach!

Nick Mellick
BOAT COORDINATOR

U19 Girls - Smurfettes: Swept by Harvey.
This was the first season together for our U19 girls who started the season strong with consecutive 2nd place finishes at the first two carnivals. Gemma Morrison being the only experienced rower was joined by Elisa Garay, Tyler Ellis and Chanel Stokes who learned to row and compete this year braving some swell that even experienced rowers would find difficult.

U19 Boys - Salmons: Swept by Harvey.
This season saw the Salmons take on a new addition in Jackson Spies who learnt to row in his first season. Kai Jones returned to lead the boys from the stroke seat after a year off and Pete Shaw and Ryan Robbie remained the heart of this crew. These boys were competitive all season. They were consistent with their training and getting results carnival after carnival made them a force in the water. They made 5 finals including winning the South Maroubra carnival and fought hard at both State and Aussies, unfortunately getting extremely unlucky with the swell. This crew will continue to build on this season and I have no doubt they will make their own luck next year.

Reserve Men - Silver Bullets: Swept by Moey.
Cooper Stokes, Julius Vandeleur, Tom Cahill, Charlie Farr-Jones and I made up this year's Reserve Men's crew. We had an extremely strong start to the year winning the first 2 carnivals and making the Semi finals in the next 4 carnivals. Unfortunately our Aussie campaign didn't reflect on the work we put in or our abilities. Our good races were great with this crew showing competitive boat speed and undeniable grit. Consistency is key for us, continual hard work leading to next season will make this crew a strong contender.

Veteran Mens 160s - Weapon vets: Swept by Harvey.
Cameron James, Ryan Airlie and Morgan Donnelly returned for another year together joined by John Pennisi after a 15 year hiatus. This crew is always ready to put everything they have into a race and this showed with a 3rd at branch and a 2nd at State. The back end of the season saw a new face In Matt Leary who came on board to finish the season.

Veteran Mens 200s - Scooby doos: Swept by Harvey.
This Crew was built around the great Mark Arbib and Brad Dunn who brought in Danny Weizmann and Glenn Holland. Together this crew proved themselves as the quiet achievers putting in the hard work that paid off with a 2nd at ASRL and a 2nd at State.

Veteran Mens 220s - Snagglepuss: Swept by Harvey.
Last year's Aussie champions Mark Ingelmo, Steve Vesper and David Lippman were joined by Michael Terry this season. Although it wasn't a fairytale season, they still managed to go back to back State champions. As always their consistent hard work and willingness to be involved keeps them as an important part of our section.

HORST MENZEL LM
23 November 2023

On behalf of Members past and present we wish to acknowledge the sad passing of Life Member Horst Menzel.

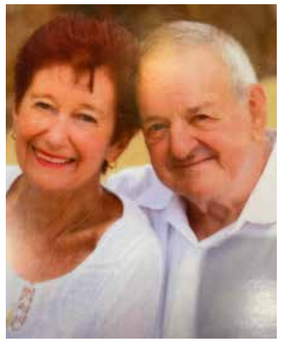

Horst was awarded Life Membership in 2011 for his active service, support of surf life saving principles, contributions to the club's operations and administration, and his support of club members and facilities. He also played a key role in introducing and making the Oktoberfest a success and took on the position of Liquor Licensee.

Horst actively patrolled our beach since earning his Bronze and was a valuable member for over 45 years. He acquired several Surf Life Saving awards, including the Advanced Resuscitation Certificate, Radio Operators Certificate, and First Aid Certificate. As Hon Secretary and Deputy President, Horst ensured the club's efficient administration. He was extensively involved in building and carnival committees, pub raffles, and fundraising activities. Horst organized and managed barbecues at club events, generating much-needed revenue and demonstrating strong leadership.

Horst was also one of the South Maroubra Dolphin Winter Swimming Club longest serving and much loved and adored members.

Horst's legendary involvement with Oktoberfest significantly benefited the club financially and enhanced its community recognition. Additionally, he served as the Liquor Licensee, a demanding role requiring his presence during bar operations. Horst's dedication extended to donating his time and money to the club. In 2002/03, he was awarded the Club's Honour Blazer for outstanding service. With over 45 years of service, Horst remained committed to the club's needs.

RAY "ROBBO" ROBINSON LM
30 January 2024

On behalf of Members past and present we wish to acknowledge the sad passing of Life Member Ray Robinson.

Ray "Robbo" Robinson LM was a stalwart of the Club.

Nipper President (as it was known before amalgamation) from 1980-1984 he then attained his Bronze in 1984. He went on from the mid 80's to accumulate club accolades and awards and positions including:

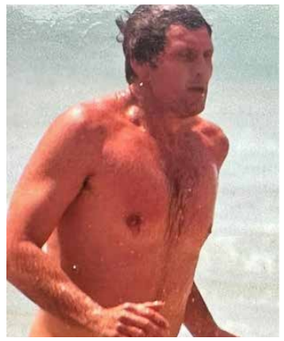

Junior Captain, House Captain, Member of Building Sub Committee, Training Officers Certificate, Most Outstanding Patrol, Chief Instructor, House Manager, Lifesaving Secretary, Assist Gear Steward for Junior Activities Sub Committee, President Nipper Sub Committee, Carnival Official Nipper State & Australian Championships.

He was awarded the 20 Year National Patrol Service in 2005 and the same year 25 Year Long Service. He attained 100% Patrol Efficiency for over 20 years in a row from 1984-2005.

He was awarded the Honor Blazer in 2005 and Life Membership in 2006.

The Randwick District honoured him with the establishment of the annual "Robbo Relay" which is awarded during the annual summary Randwick District Shield Carnival.

HUGH ROBERT MCCOID (BOB)
24 March 2024

On behalf of Members past and present we wish to acknowledge the sad passing of Bob McCoid
Bob was a long-time member of the Club from 1973-2019 until ill health got to him.

Bob was a regular winner of the Surf and Belt races during the late 1970's and through the 1980's and often overall Club Point Score He together with Max Murphy LM were the club's handicappers for the Sunday morning point score competition and special events.

The 90's didn't seem to slow Bob down. He earned a commendable 2nd place in the "4 lengths of the Beach Swim" in a time of 58 mins in 1991 and a Bronze at the Masters World Championships in swim in 1994. He was a regular feature in the Master Touring Team and achieved 40 Years National Service Medal in 2005.

Honour Blazer

Nicole Cooney

During the 2023/24 AGM, Nicole Conney was successfully nominated for the Club's Honor Blazer, below is her written nomination:

I would like to nominate Nicole Cooney for the Sth Maroubra Honour Blazer.

I had the pleasure of putting Nicole through her Bronze Medallion in Dec 2013, quickly followed by her ARTC in early 2014. Since these 2 awards Nicole has barely taken a breath, giving her heart and soul to South Maroubra. Whether it is Lifesaving, Education or Competition Nicole gives 200%.

Nicole has been an outstanding role model and mentor to the youth in Sth Maroubra, especially our young females. There is nothing Nicole won't tackle, becoming DOL in the 18/19 season through until now has been quite remarkable. There are not a lot of female DOL's and I think it is so good for the young girls in our club to see a woman in this role.

Nicole has also been the heart of our Education team for the last couple of seasons. She has recruited quite a few new trainers and has worked tirelessly to keep our squads running. It is a credit to Nicole that she has such strong connections with the youth of the club that they feel inspired to try their hand at being a trainer.

In Nicole's role as DOL she has been able to keep our Lifesaving patrols running smoothly and has listened to the members needs. Nicole's presence on the beach shows a very hands on approach which the patrolling members respect and know she has there best interests in mind.

More recently Nicole has been involved with the SLSNSW ALBERT program and taken a role in Sydney Branch in Education as the Randwick Area Education Coordinator.

One of the most impressive aspects of Nicole's contributions to South Maroubra has been the impressive growth in our patrolling capacity. Our retention particularly in youth membership (175% in cadets, 242% in Active 15-18 since 2016/17) is the highest it has been for years. Overall the club has seen a 105% growth in our active patrolling members since 2016. These statistics have been achieved over the last 5 years under the guidance of Nicole as DOL.

Below is a summary of Nicole's outstanding achievements;

Committees:

- 15/16 Social Coordinator (shared with Codie Wem)
- 19/20, 20/21, 21/22 Constitution Committee

Awards:

- 15/16 Rookie Trainer of the Year
- 16/17 Most Outstanding Senior Club Member
- Rescue Service Award - Maroubra SAR (Club and Branch) Team award
- 17/18 Branch Trainer of the Year
- 17/18 Clubman of the Year
- 20/21 Trainer of the Year
- 21/22 Branch Trainer of the Year

Competition:

- 13/14 - 17/18 IRB competitor (retired injured)
- 14/15 - 19/20 on and off Boats - rowing

Medals:

- 2015 - 2nd State Champs 35+ Mixed team
- 2016 - 2nd Open Women's Team, 3rd 35+ Mixed Teams

Nicole's record of results including her awards comprises of 82 entries in Surfguard which are far too numerous to list but a very impressive record for someone having only done her Bronze in 2013.

By far the most outstanding record of Nicole's lifesaving career is her career patrolled hours; Her rostered hours were 426.25 hrs but the actual number of hours Nicole has patrolled in her career is 1184.25! This is nearly 3 times what she was rostered on to do. All these extra hours are voluntary hrs or hours substituting or filling in when patrols were short. I think you will agree this is quite an incredible achievement.

Lastly, I think Nicole would be an extremely deserving recipient of this year's Honour Blazer. Her dedication to South Maroubra is self-evident and I am so pleased to have spent time working, patrolling and competing with Nicole over the years since she joined our club.

Thank you for taking time to consider Nicole Cooney for Honour Blazer.
